How to Draw a Basketball

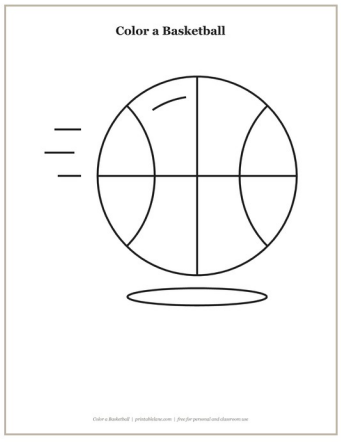

6 easy steps | tracing page | practice grid | coloring page

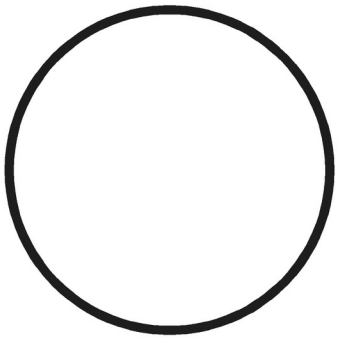

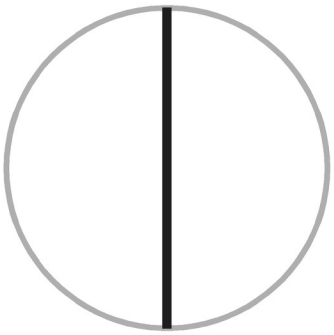

How to Draw a Basketball

follow the black lines; grey lines are from the steps before

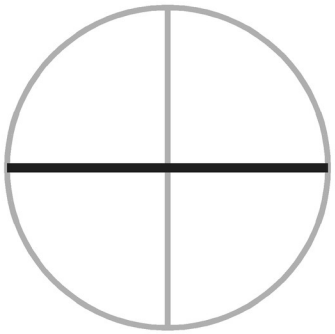

1. Draw a big circle for the ball.

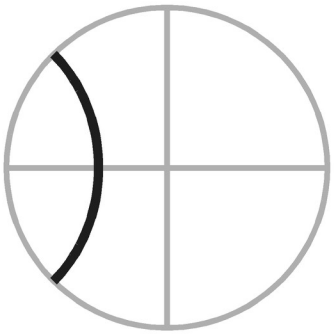

2. Draw a straight line from the top of the ball to the bottom.

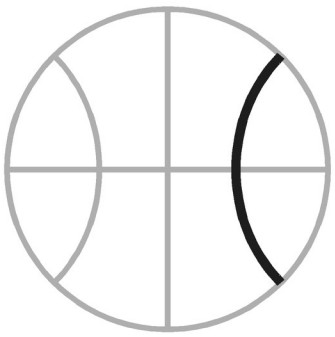

3. Draw a straight line across the middle, from side to side.

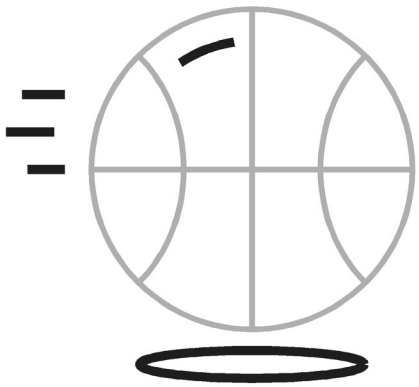

4. Draw a curved line on the left side, bending toward the middle.

5. Draw the same curved line on the right side.

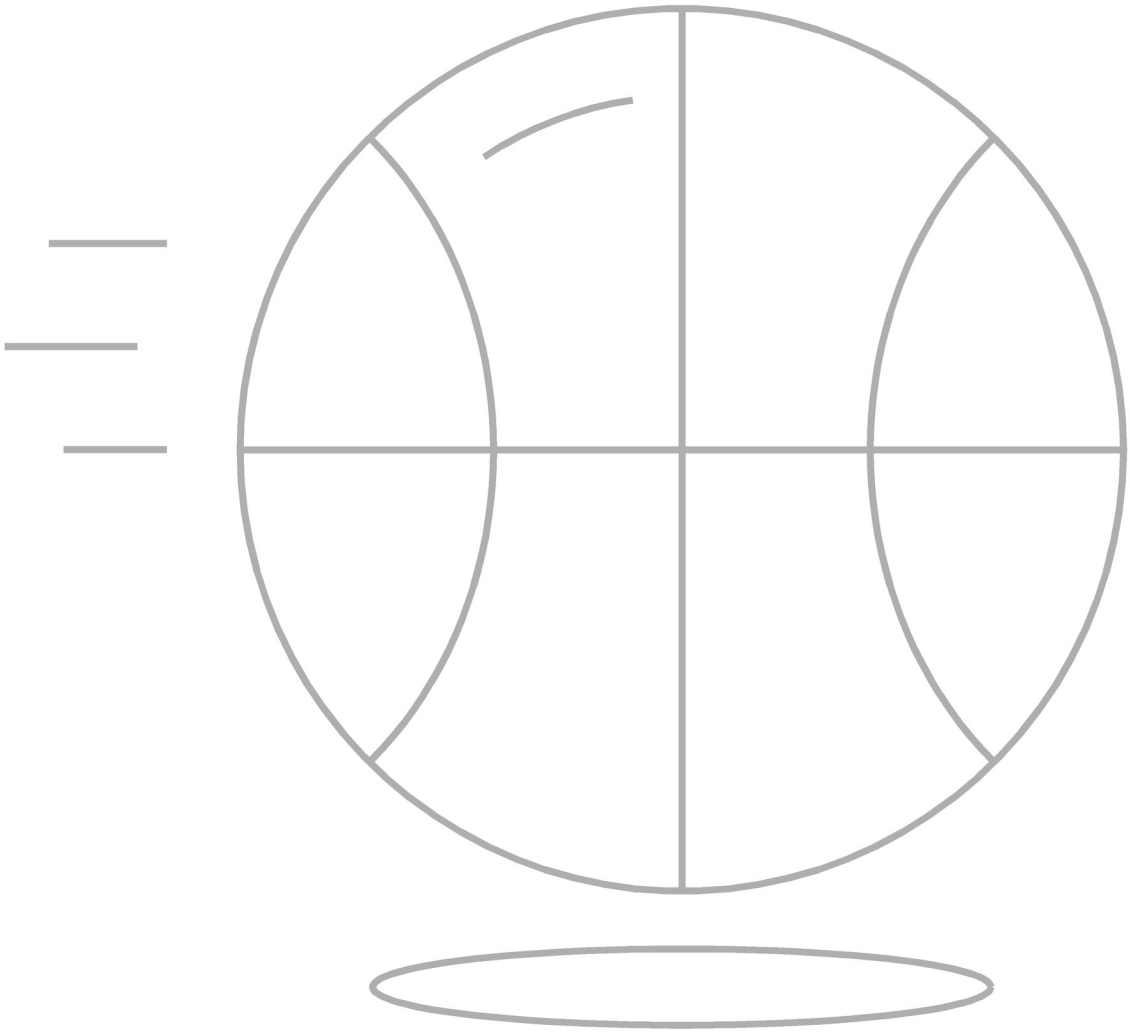

6. Finish with a shine mark, motion lines and a shadow.

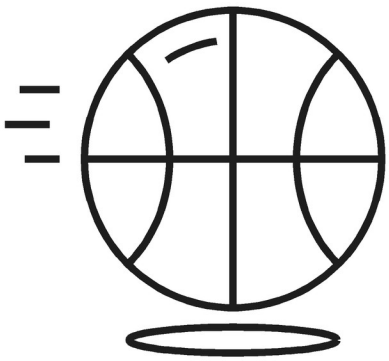

Trace a Basketball

go over the grey lines with a pencil, then add your own details

Draw a Basketball on Your Own

a small reference on the left, two practice boxes with a light grid
